How do I get into control management system?

If you have more than two devices and you want to interact with them or to facilitate your work you can enter the device management system. To do this, go to bitrek.video and click LOG IN

A window will open where you will need to enter **IMEI** and **password** you got on your device **warranty card** to enter **the web interface** or **login** and **password** to enter **CMS**(mass device management system, 2 and more)

en:cms
